Dr. Sydney Archer
Rensselaer School of science
Troy, NY 12180-3590

Dear Sydney,

My recollections of the patients are hazy. But I called Dick Resnick and he seemed more *au courant*. I have sent him your letter and asked him to call you.

If I can be of help, let me know.

My regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
and Neurology
