Prof. Dr. P. Kielholz  
Psychiatrische Universitätsklinik Basel  
Basel, Switzerland

Dear Prof. Kielholz,

I have waited before developing the 1970 program of the CINF with you, until the many small details about the meeting, specifically the dates were settled; and anticipating your visit to New York as being sufficient time for us to develop the program.

In your letter you remark that you will be in New York at the beginning of December.

Please note that I will be away from New York from November 26 to December 7. Can you give me a specific time when you will be in New York for us to meet?

I plan to attend the German CINF in Nürenberg from November 27-29. If it is possible for you to be at the same meeting, perhaps we can discuss the program then.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
