Dear John,

September 12 is a better date for me. I am leaving for San Diego on the 6 o'clock flight and would be pleased to see you in the morning.

Stan is away but I will have him get in touch with you as soon as he returns.

I will be in San Diego from the 13th to the 19th and if you are back, perhaps it would be fun to visit Irvine on Tuesday, September 16, where they allow us a free afternoon.

I look forward to seeing you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
