Dr. Lawrence J. Lewis, M.D.
Anclote Manor Hospital
Tarpon Springs, Florida 33589

Dear Dr. Lewis,

It was kind of you to send me a copy of the evaluation summary of the progress of Ms. Judith Farnam. She is quite ill, and your efforts on her behalf are interesting and described well. I hope that some progress will be achieved.

Thank you for keeping me informed.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
