Dear Joe,

I have received the supplies of cyclazocine (0.25 mg) and placebo to match. I think these will suffice for the remainder of study #1. I have asked Dr. Simeon and Dr. Zaks to replace the active medication with placebo in each of the patients and to observe the changes which follow.

May I take this opportunity to thank you for your thoughtfulness in sending me such a fine holiday gift. I took this home and my wife and I are pleased to thank you.

My best regards.

Sincerely yours,

Max Fink, M.D.
