

November 21, 1975

Ms. Jesse Wolff
1521 Sylvia Lane
East Meadow, New York 11554

Dear Ms. Wolff,

Thank you for your letter of November 18th.

Unfortunately, we have discontinued our studies of marijuana and relinquished our permit some time ago.

I do not know anyone in the metropolitan area conducting such research at this time.

Regretfully,

Max Fink, M.D.
Professor of Psychiatry
