

August 14, 1969

Dr. S. L. Visser
Valeriuskliniek
Amsterdam, Zuid,
The Netherlands

Dear Dr. Visser:

We are planning a get together in New York after the International EEG Meetings of investigators interested in EEG and psychiatry. Dr. Sugerman has suggested your name as a participant. A formal letter of invitation is attached.

I look forward to meeting you in our laboratories on September 25, 1969.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
