

April 7, 1966

Mr. Lewis B. Stuart, President  
Psychiatric Research Foundation  
22 Fair Oaks  
Ladue 24, Missouri

Dear Lew,

As you know, I have been honored by an invitation to join the faculty at the New York Medical College as Professor of Psychiatry, and will do so at the end of the present academic year in June. I am, therefore, submitting this letter of resignation as Executive Director, effective June 30, 1966.

Insofar as I will be in transition during the next few months, it would be of assistance to the work of the Foundation if a new Executive Director were designated at this meeting - to assume the responsibilities for the Foundation's affairs on or about April 15, 1966.

May I take this opportunity to thank you and each member of the board for their loyalty and support during these four years. It has been a pleasure and an honor to serve you.

Sincerely yours,

Max Fink, M.D.  
Executive Director
