Dear Dr. Abraham:

We look forward to having you join us in St. Louis. There will be no problem about your baggage which the hospital will accept and hold for your arrival. In addition we will provide accommodations for your use on your arrival in St. Louis. In the event that these are satisfactory, it is possible to use the accommodations for an extended period. You will be able to discuss this with the Chairman of the Training Committee, Dr. Ivan Sletten.

I do not think you have to be concerned about your late start. I am sure that you will accomplish the training program with satisfaction.

When you arrive in New York, would you please call my secretary, Mrs. Anita Watzig, collect at 314 Mission 5-5446 so that she can make more specific arrangements regarding your arrival in St. Louis.

Sincerely yours,

Max Fink, M.D.  
Director
