Dr. Jonathan O. Cole
Psychopharmacology Service Center
Research Grant & Fellowships Branch
National Institute of Mental Health
Bethesda, Maryland 20014

Dear Dr. Cole:

Thank you for authorization to complete the laboratory equipment needed for our ECDEU Unit. Attached are lists showing the itemized cost break down of the purchases for each grant.

We do not have funds in the equipment categories of these projects for this purpose. We propose to charge these items against the funds originally designated for personnel, and available because of delayed recruiting during the first year of the grant.

Thank you.

Sincerely yours,

Max Fink, M. D.
