Dr. Leo Hollister
Associate Chief of Staff
Veterans Administration Hospital
Palo Alto, California

Dear Leo,

I want to take this opportunity to thank you for your hospitality to my associate, Dr. Jovan Simeon. He has returned from his visit to California quite enthusiastic about the work in your laboratory.

I have recently been asked to consider a study with oxypertine. I recall that some years ago you were quite enthusiastic about this drug and I would be grateful for any reports that you may have prepared in your studies.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
