Samuel H. Rubin, M.D.
Provost & Dean
New York Medical College
Valhalla, New York 10595

Dear Dr. Rubin,

When I accepted an appointment at SUNY at Stony Brook in 1972, it was with the understanding that my concurrent appointment at the New York Medical College would terminate after two years, in 1974. I was under the impression that my resignation was effective in the fall of 1974.

Your letter of February 1, 1983, reappointing me to the Adjunct faculty reminded me of these earlier events. While I would be pleased to continue on the faculty of the College, my present appointment is full-time and precludes other concurrent appointments. Please accept this letter as a note of resignation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
