Dr. Joseph J. Tecce
National Institute of Mental Health
Bethesda, Maryland
20014

Dear Dr. Tecce:

Thank you for your letter of May 15. I was interested to learn of your acceptance of a position at the Boston University School of Medicine, and hope the three reports on computer techniques applied to EEG analysis will be of some help to you.

You requested that I return your research materials, and you will find these enclosed.

Best wishes for success in your new connection.

Sincerely yours,

Max Fink, M.D.
Director
