Mr. Richard Wexler  
Time/Data Corporation  
490 San Antonio Road  
Palo Alto, California 94303

Dear Dick,

I want to take this opportunity to thank you for your many courtesies during my visit to San Francisco last Sunday. I was pleased to see the progress in the Time/Data 100 and I wish to state again our interest in seeing a model when it is operational.

I especially enjoyed the visit to the "Hippies."

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
