Manhattan State Hospital  
600 E. 125th Street  
Wards Island  
New York, New York 10035

Dear Hy,

Enclosed is the list of the EEG analyses accomplished as of January 8. We will keep this up to date and submit supplements from time to time.

You may recall that in the initial weeks of our relationship we returned some of the EEG paper records. In reviewing our files, we are lacking the following records and ask that you send these to us.

Amenodola	8-16-65
Barlow	8-11-65
Brahinsky	7-30-65
Garcia	7-22-65
Goldberg	8-16-65
Harry, Cecil	7-26-65
Waters, Willie	8-13-65
"	8-16-65
Berger	8-11-65
Coleman	7-22-65
DelRio	7-26-65
Garcia	7-22-65
Henry, George	8-16-65
Ansell, Harold	8-16-65

Secondly, we would be interested in having the date on which each patient in this list started their medication treatment. Could these be made available to us?

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
