Dear Mrs. Hildreth,

Ⓜ have received the invitation to continue participation in the Neuroendocrine Journal Club, and have been asked to monitor two journals, Brain and Experimental Neurology.

I regret to say that I shall be moving my home to the University, and it will be unlikely that I will be able to continue to attend the meetings of the Club, or to participate further.

Please thank Drs. Ferin and Krieger for thinking of me.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
