

October 23, 1972

Dear Turan,

Should we nominate Jovan for the ACNP ?

If yes, would you send the c.v. and the nominating letter; and I will send a seconding letter to Dick Wittenborn.

My best regards-- and my thanks for your participation at the American EEG.

(Did you know that Janice Stevens is the next President ?)

My best regards.

Sincerely yours,

Max Fink, M.D.
