Dear Jack,

I am writing with regard to our application for
"Theoretical, Clinical Studies of Convulsive Therapy,"
(MH-15561-01).

Since a number of the reprints are no longer available
except for file copies, I have arranged for xerox copies to
be made. Enclosed are five units which include representative
reports related to my studies of the convulsive therapy process.

My best wishes for a Happy New Year.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry

P.S. I am also enclosing a reprint of a report of Dr. Abrams,
who is working with me on this project.
