Dr. Turan M. Itil
Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Dear Turan,

We have never received reprints of the trifluoperidol paper. These are the only two requests I have received. Would you care to answer these and perhaps send us a few?

Also, this is the only sleep classification reprint request that I have not answered.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry ,
