

December 21, 1971

Dear Dr. Kosterlitz,

In response to your questions regarding my report to the Aberdeen symposium, I am pleased to submit the following:

1. International Conference on Drug Abuse: Published by the University of Michigan Press. Page numbers are not available.

2. Wikler: pages 85-102.

3. Resnick et al.: is to appear in Comprehensive Psychiatry, in the issue of November-December 1971, which should be mailed to subscribers in January.

The second report was not accepted for publication, and should be reported as 'unpublished observations'.

4. Page 8, paragraph 2, line 4: reference should be 1968 for Fink, not 1969.

My best wishes for a happy holiday season and a healthy 1972.

Sincerely yours,

Max Fink, M.D.
