Mr. Earl Ubell
Science Editor
WCBS-TV
New York, New York

Dear Earl,

The TM center in New York is at 277 West End Avenue. One teacher who may give some insight is Kip Cohen, manager of the Fillmore East. I have no knowledge of the impact of this group on the college scene here, but my son describes a large effect at Colby College.

My best.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
