Dr. Richard D. Walter
International Congress
Neuropsychiatric Institute
Los Angeles, California

Dear Dr. Walter:

I am pleased to enclose two abstracts of reports from this laboratory for your consideration for the forthcoming International Congress of EEG. The reports are based on studies begun in collaboration with Dr. Itil in St. Louis.

We look forward to participating in this Congress, and to meeting with you, once again.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
