Property Disposal Officer  
Corps of Engineers Depot  
Granite City, Illinois

Dear Sir:

The Missouri Institute of Psychiatry is a research laboratory of the Division of Mental Diseases of the State of Missouri. We have need for electronic equipment which is frequently available as surplus property through agencies such as yours. I would appreciate some information as to the applications that may be necessary for this laboratory to obtain lists of available surplus equipment at frequent intervals.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M. D.  
Director
