Mr. W. H. Bold  
Manager, Clinical Research Associates  
Squibb Institute for Medical Research  
New Brunswick, New Jersey 08903

Dear Mr. Bold:

It was a pleasure having you and Mr. Gaglione visit with us on Friday. As you requested, a copy of the summary statement prepared by my staff is enclosed.

The project is going well, and I am pleased to tell you that we are planning to have a presentation of this material to the full staff of the Department on Friday, February 2, at 12:15pm.

Our present supplies seem adequate. Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
