

August 20, 1968

Librarian  
New York Academy of Medicine  
2 East 103rd Street  
New York, New York

Dear Madam:

I would be grateful if you would permit Dr. Rhea Dornbush to work in the library during the hours open to Fellows as she is working on a project for me.

If she finds it necessary to take out books and journals, I would approve her doing so.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
