Wilhelm-Klein-Strasse 27

Dear Professor Kielholz:

I am delighted that we will be able to meet early in December. I, too, plan to attend the symposium in Mexico City and we should make time available during the first part of that week.

I do not plan to be in New York on December 5, otherwise I would be pleased to take advantage of your kind invitation.

I look forward to seeing you in Mexico City.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
