Mr. Silverman
New York State Bureau of Narcotic Control
270 Madison Avenue
New York, New York

Dear Mr. Silverman:

I have received a letter from George M. Belk, District Supervisor of the Bureau of Narcotics, Treasury Department, with reference to an application for registration under the Marijuana Tax Act. In his letter, Mr. Belk indicates that prior to approval of this application for registration in Class 5, we must comply with the New York State Law concerning research utilizing marijuana.

A copy of our original request to the Commissioner of Narcotics is enclosed.

Would you please indicate the steps necessary to comply with the New York State Law?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
