Dear Mr. O'Day:

You may recall, I was privileged to participate in the conference on The Development of Psychophysiology Microthesaurus. In speaking to Dr. Stern recently, he indicated that you have a revised form of the thesaurus. I would appreciate receiving a copy of the latest form.

Also, at the time of the meeting, there was some discussion as to the possibility of the development of such a thesaurus for pharmacology. Has this progressed at all?

Thank you.

Sincerely yours,

Max Fink, M. D.
