

*Letters -
Jasti*

May 8, 1980

Dr. Mary Jasti, M.D.
104040 Queens Boulevard
Forest Hills, New York

Dear Dr. Jasti,

I regret to tell you that we lack facilities to support the studies of lithium that you propose on behalf of your sister. Such studies could be undertaken by the many laboratories dedicated to lithium research.

Thank you for your interest.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
