

F. Kelters

November 25, 1971

Dear Dr. Aylett,

Yesterday afternoon, the mail delivery brought your letter, dated October 7, 1971, indicating that you would be in New York this week, and would like to visit. I very much regret that the letter had not arrived earlier, for I would surely have written and made the arrangements you requested.

For your information, the letter was postmarked Oct 8 from S.E.5; the postage was 9 pence; marked airmail-- but it must have been sent by surface mail.

Should your office receive this in time to send you a note, we would be pleased to have you call on December 10, for I will be in my laboratory, and would be pleased to have you visit: call- 212 369 8488; or at night- 516 466 5444.

Regretfully,

sincerely yours,

Max Fink, M.D.
