Dr. Paul Hoch
Department of Mental Hygiene
Albany, New York

Dear Paul:

During your recent visit to St. Louis, the local newspapers carried a summary of your remarks which, in their brevity, were tantalizing. The essence was supporting of the present programs of Dr. Ulett to such a degree, that I am writing to ask whether we can obtain a copy of your report as well as permission to quote from it in preparation for his presentations before the legislature of the State of Missouri. As you know, we are embarked on developing programs in Missouri that in many ways follow the leadership of New York. We are modeling our Institute along the lines of the New York State Psychiatric Institute, and your remarks may be helpful in presenting some of the statewide programs.

Thank you very much for your cooperation. My best regards.

Sincerely yours,

MISSOURI INSTITUTE OF PSYCHIATRY
