

June 20, 1963

Mr. Dick Bugg
IBM
3800 Lindell Blvd.
St. Louis 8, Mo.

Dear Dick:

I would be pleased to have you announce that we have a 1710 installation at the Missouri Institute of Psychiatry in an issue of the Instruments and Control Systems Journal.

In the event that this appears, I would be grateful for a copy.

Sincerely yours,

Max Fink, M. D.
Director
