Dear Jonathan;

Re: MH-12567

Dr. Freedman and I are writing to request permission to utilize up to \$800.00 for renovation of the laboratory in the program "Pharmacotherapy of Narcotic Addiction." This sum will be deducted from the equipment assignment recently approved, and is made possible by deferring some of the equipment charges to another project.

The renovations will include the cutting of additional doors and the bringing in of an electrical line.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
