Dr. Louise Speck
CNRC
St. Elizabeth's Hospital
Washington, D.C.

Dear Dr. Speck:

As I suggested in May, my laboratory for quantitative EEG is now operational and I would be pleased to have you visit us on your next tour through New York. The laboratory is in the Department of Psychiatry offices at 5 East 102nd St. at the corner of Fifth Avenue. I can be reached at (212) 369-7900 Ext. 245.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
