Dear Milos,

In making my plans for the visit to Prague, I find that I have not received a confirmation of my reservation request for accommodations. I have received your receipt for registration.

Since making my reservation, I have decided to take my wife and two daughters to Prague.

I am writing to ask your help in rearranging my accommodations now for 2 rooms with bath, for arrival in Prague August 11 and leaving Prague August 15. Would it be possible to ask your secretary to arrange accommodations for my family? Would it also be possible to send 3 additional visa forms, for my wife (Martha Fink) and daughters, Rachel D. (age 14) and Linda S. (age 12) ?

Many thanks for your help.

My best regards.

Sincerely yours,

Max Fink, M.D.
