Mr. D. A. Geickie
Secretary, Committee on Information
CMA House
1867 Alta Vista Drive
Ottawa 8, Canada

Dear Mr. Geickie:

Dr. Lionel Sollersh presented an forceful statement about the changes in attitude on medical uses of cannabis in Canada. In a discussion, he suggested I write to request copies of the "Brief on Non-Medical Use of Drugs" and the CMA Review and Position papers, if these are available.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
