Professeur J. Cadilhac,
Faculte de Medecine de Montpellier,
Pathologie et Therapeutique Generales,
Institut de Biologie,
Montpellier, France.

Dear Professeur Cadilhac,

Since receiving your letter of January 22nd, I have found that it would be too difficult to provide the exhibit which I had planned to make at the International Congress in September, and I am writing to ask you to withdraw the abstract and the exhibit.

I look forward to meeting you nevertheless, in Marseille.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry

MF/1J
