Director, Research Division
Galesburg State Research Hospital
Galesburg, Illinois 61401

Dear Harold,

Let me thank you once again for your participation in the CINP Symposium. Your contributions were most helpful and I believe that all of us enjoyed the meeting very much.

We have been successful in arranging with Elsevier for the publication for the proceedings of this symposium as a volume in *Progress in Brain Research*.

In response to your letter of April 6, I have replaced the revised pages 10 and 11 and the additional reference as you have requested.

I believe Dr. Votava is visiting your laboratory and I would be grateful if you would tell him that we have made the arrangements with Elsevier. The publishers have requested that the manuscripts be in their hands by June 1 so that publication can be assured before the end of the year. I would be grateful if you would ask Dr. Votava to please send his manuscript to me as soon as practicable.

Thank you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
