Dear Martin:

I very much enjoyed both the visit to your home on Hanukah and our get together on Friday. You must know how much I was impressed by your children, especially Andy's confidence in handling the ceremony.

Enclosed is your carbon and a xerox copy of your paper. I would urge you to send the carbon to Dr. Bender. A man in his position is extremely sensitive to slights and I believe he would be hurt if the publication were to appear without his having had a copy across his desk in the eventuality that he may wish to criticize something in it.

Good luck and my best wishes.

Sincerely yours,

Max Fink, M.D.
Director
