Habib Nathan, M.D.  
University of Florida  
Gainesville, Florida

Dear Dr. Nathan:

I have checked with the other people in the Institute and find that Saturday, October 10th is preferable to Monday, October 12th. I would be grateful if you could arrive Friday, in the evening, and be available at 9 a.m. on Saturday, October 10th.

Sincerely yours,

Max Fink, M.D.  
Director
