Paul Leber, M.D.
Acting Director
Division of Neuropharmacological Drug Products
Food & Drug Administration
5600 Fishers Lane
Rockville, Maryland 20857

Ref: IND 12,987 (ORG 2766)

Dear Dr. Leber,

Please allow the scientists at the Pharmaceutical Research Institute of Worthington, Ohio to cross-reference the information in our files of the ACTH₄₋₉ fragment known as ORG 2766 (IND 12,987), effective immediately.

Thank you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
