Dear Noch:

I want to tell you that I attended the meeting on the Section on Brain Function and Behavior. While I was ready to nominate you, I was astonished to find that the Sections of the APA had been desponded and that no business meeting was to be held. This makes Bob Heath the last Section Chairman, and I did ask him to inquire as to whether this change was permanent or for this year only.

Reece gave a very nice presentation, and if a preprint of that paper is available, I would appreciate receiving a copy.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
