Dr. Ali Keskiner
University Hospital
Saskatoon, Saskatchewan, Canada

Dear Dr. Keskiner:

I have discussed your situation with the Director of the Division and it is possible to appoint you to the Division of Mental Diseases as a Senior Research Scientist (Medical).

Form DSP-66 is being filed on your behalf, and a copy is enclosed. I know of no other forms that are necessary, but if the Immigration Bureau makes such requests, please let me know.

I look forward to your joining the staff on July 1st.

Sincerely yours,

Max Fink, M. D.
Director
