Dear Mr. Corbet:

I am writing to determine the present status of the EEG supplement #23, "EEG and Human Psychopharmacology", edited by myself, Dr. Bouthilet and Miss Cronwell. Some weeks ago we met with Dr. Marsan, who indicated some hesitancy in publishing the volume. He stated he would clarify the issue with you. I would be grateful for any information you can give me regarding the status of this volume.

Sincerely yours,

Max Fink, M. D.
