Dear Mr. Langenberg:

I am writing to bring up to date our correspondence regarding a grant from the Mallinckrodt Foundation in the sum of \$2,500 to the Psychiatric Research Foundation of Missouri, earlier this year. I am very pleased to tell you that this grant has been used to support the development of the program in Pharmacology at the Institute. The initial two expenditures of \$1,000 each were awards to Dr. William Lang and Dr. Bernard Korol, pharmacologists who joined the Institute during the past few months. Dr. Lang came from Melbourne, Australia and Dr. Korol from New York. The remainder of the grant is being expended to provide equipment for the work of these two scientists.

I wish to take this opportunity on behalf of my associates and the Foundation to thank you and the Mallinckrodt Foundation for providing these funds which have made possible the appointment of two fine pharmacologists.

Thank you very much for your participation.

Sincerely yours,

Max Fink, M.D.
