Dr. Robert S. Schwab  
Massachusetts General Hospital  
Boston 14, Massachusetts

Dear Dr. Schwab:

Recently you presented a classification of your EEG records, as well as a classification of your subjects. I am in the process of establishing a classification of the records of this new center, and I should be grateful if you could send me a copy of the classification form developed in your laboratory.

Many thanks for your cooperation.

Sincerely yours,

Max Fink, M. D.  
Director
