Dear Jack,

Enclosed is a revised version of "Toward a Rational Theory of Behavior" for Career Directions. I have made the deletions suggested by the editor, and almost all the changes in text which I could. I hope this "compromise" is satisfactory.

In re-reading the text, perhaps it may be useful to add the citations as sources where the observations are reported in more detail.

My thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
