Dr. Joseph G. Bird  
Director, Division of Clinical Research  
Sterling-Winthrop Research Institute  
Rensselaer, New York 12144

Dear Joe,

The study of cyclazocine in the Mental Health Clinic has been going very well and I am writing to request an additional supply of cyclazocine. Would you please send 200 bottles of cyclazocine 0.25 mgm (50 tablets per bottle).

Thank you very much.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
