Dear Jim,

RE: MH-15561-02

As I discussed with you today, we have collected a great deal of data in our ECT study. In order to carry out the proper statistical tests we have utilized the facilities of the college's computer center.

It is my understanding that these charges may properly be paid from this grant by the transfer of funds from Personnel or Supplies to the category "Other".

If this is in error, please notify me.

Sincerely yours,

Max Fink, M.D.
