Mr. M.N. Ingrisano  
Radiation Systems, Inc.  
McLean, Virginia

Dear Mr. Ingrisano,

Thank you for the information on the tympanic thermometer, which I have read with interest. We are in a position to undertake these studies, but before I submit a firm order, would ask, either for a demonstration of the equipment, or an option to cancel after 15 days.

I would prefer a demonstration. Is the machine in New York or can one of your representatives demonstrate it at our laboratories?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
